

Volunteer at Rosie's Ranch!

2 Miles outside of Parker

It is our dream and mission at Rosie's Ranch to provide a family centered atmosphere where children with deafness or oral language challenges will expand their listening, verbal & reading skills by engaging in activities with horses under the guidance of a highly trained and qualified staff.

We are looking for enthusiastic and hard-working individuals to join our team of Summer 2015 volunteers. Horse experience is desirable, but not necessary.
